# **Birthday Parties at Earnshaw Pool**

## PRICE & WHAT YOU RECEIVE

\$33.00 Per Hour & \$2.00 per person for entry (including Adults at children's prices!) gives you an Allocated Staff Member to watch the children, organise games and generally keep them safe and happy. This in turn gives you the freedom to enjoy a swim yourself and relax knowing the children are taken care of in a fun and friendly atmosphere.

The Birthday Child also receives a Birthday Present from Qualified Pty Ltd, along with prizes for the games, and exclusive pool toys to enjoy for the duration of the party.

Parents have found two (2) hours to be enough time to wear out the children, and give themselves a break, however you are most welcome to book for up to 4 hours. Also, bring your own food, drinks and decorations to accommodate the Birthday Party, we just ask you not to bring anything in glass.

## WHAT WE NEED

In order to make it a special occasion for the Birthday Child we need their gender, name, age and approximate number of attending children.

We also need payment one (1) week prior to the party to book your allocated staff member.
