Enrich your life and participate with us in our aquatic programs."

Qualified was started in September 2007 by directors, Alina Graham and Raelene Hancock out of a passion they both share. This passion has now become their mission for their business. Between them they have over 23 years of aquatic industry experience and their aim is to share this with their staff and anyone involved in the aquatic industry.

Our Mission

"To enrich the lives of all through participation and enjoyment of aquatic programs."

We will achieve this by:

- Delivering a range of learn to swim and coaching programs utilising cutting-edge practices and lead by qualified and experienced specialist staff
- Developing the future leaders of the aquatic industry by delivering a range of qualification and professional development programs to industry professionals
- Promoting safe aquatic practices by delivering a suite of aquatic safety programs to ALL members of the community.

Our Guiding Principles

- Our programs and services contribute to building a healthy and active community
- Our programs and services increase the aquatic knowledge and safety of the community
- Building effective working relationships is essential to maximize our service provision
- Our programs and services utilise cutting-edge technology and the most up-to-date initiatives in the industry
- We will develop industry links and be committed to developing the industry as a whole

Our Core Values

- Passion – our staff will be passionate about working with all members of the community and imparting knowledge of safe aquatic practices
- Access – our programs will be accessible to all members of the community
- Respect – our staff will treat each other, industry professionals and every member of the local community with respect
- Learning – we will commit to lifelong learning
